Secondary Lounge Area with panoramic sea view, featuring two small, comfortable sofas

Kitchen

An electric stove with burners

Stainless steel sink

Ample counter space for meal preparation

Power and Energy Systems

It is equipped with advanced energy systems that ensure your electrical and heating needs are met effortlessly, even during long voyages.

3 Air Conditioning Units

2 Webasto Heating Systems – efficient with a consumption of 1L to heat the yacht overnight in cooler conditions

5000W Victron Energy Quattro Inverter and Charger – powerful enough to run one air conditioner or the electric stove

6 Solar Panels, each 350W – eco-friendly and energy-efficient for long off-grid trips

3 Victron SmartSolar Charge Controllers – to optimize energy storage and distribution

5 kW Nanni Diesel Generator – provides backup power for essential systems

Onboard Equipment and Functionality:

Water Maker – produces 38L per hour (12V), ensuring a continuous supply of fresh water

Refrigerator/Freezer – for long-term food storage

Washing Machine – for convenience during extended stays aboard

Engine & Performance:

Engines: 2 x Volvo Penta D6 with IPS600, 435HP each, offering speed, efficiency, and precise maneuvering with ease and fuel consumption of 120l/hour

Bow Thruster – for easy docking and handling in tight spaces

Fuel Tank: 1800L chrome fuel tank, ideal for long-distance cruising without frequent refueling

Navigation & Safety:

2 Garmin Screens – featuring complete navigation and control systems & autopilot

Raymarine VHF Radio – for reliable communication at sea

Ultra Anchor 36kg with 100 meters of galvanized chain and Quick Electric Windlass – for safety and ease in anchoring

Water Tanks: 2 x 350L

Wastewater Tank: 600L

Tender boat with Suzuki 6hp - just serviced

Currently in parking on hardstands, VAT has not been paid
